Work Experience

2010 - 2011 Universidade Federal de Santa Catarina – UFSC/Brazil

UFSC is a federal university in the south of Brazil.

Teacher and researcher:

- Teaching Internship in the disciplines of “Anthropological Theory II” and “Person and Corporality” as a compulsory subject to completion of doctoral course in Anthropology.
- Participate in the development of teaching methodologies;
- Preparation and correction of exams;
- Monitoring the process of student achievement;
- Creation, support and facilitate discussion groups.

2010 Centro Cultural Internacional – INTERCULT

Intercult is an NGO founded by the federal government in order to manage the program named “Pró-Capoeira”, which envisages to safeguard capoeira as a Brazilian cultural heritage.

Consultant for the “Pró-Capoeira” program:

- Research about the oldest capoeira masters in the north of Brazil;
- Formulate the thematic content of the regional meetings with the capoeira masters;
- Coordinate meetings and elaborate the reports of the working group “Capoeira and sustainable development policies”, taking place in Recife and Brasília;
- Systematize and share the results of the meetings.

2009 Instituto de Pesquisa Econômica Aplicada – DF/Brazil - IPEA

IPEA is an institute of the Federal Government of Brazil. Its aim is to find solutions regarding development challenges in Brazilian society, through socio-economic research, sharing of knowledge, technical and institutional support to the government regarding evaluation and formulation of public politics and development programs.

Researcher for the program Institutional Strengthening and Qualification of Municipal Management – ProRedes, financed by Instituto de Desenvolvimento Econômico Social do Para-IDESP:

- Analyze research models about public management worldwide, identifying concepts which could be applied to structure the *Government Performance Project* (GPP), and advice regarding possibilities of adapting these concepts to the specific Brazilian reality;
- Planning, systematizing and elaborating of regular reports regarding the state of affairs of the GPP in 12 municipalities in the state of Para.

2009 **Secretaria de Estado de Integração Regional - SEIR/**
Núcleo de Altos Estudos Amazônicos – NAEA/Brazil

SEIR is the secretary of the state of Para, responsible for Regional Integration.

Researcher for the program “Plano de Desenvolvimento Regional Sustentável da Região do Xingu” in the state of Para (PDRS). This program is an instrument for the decentralization of public policies for the Xingu region, where large infrastructural projects took place. Through the implementation of Participative Territorial Planning (PTP), was envisaged to develop a public policy which should facilitate economic benefits, and at the same time mitigate negative socio-environmental impact:

- Elaborate a political institutional framework, diagnosis and prognosis for the Xingu region;
- Planning, fieldwork and elaborate reports regarding semi-structured interviews subdivided in 5 themes: territorial organization, land regulation and environmental management; infrastructure; support to sustainable productive activities; social inclusion and citizenship; and management models.

2008 - 2009 **Fundação Gregório de Mattos – FGM-BA/Brazil**

FGM is a foundation linked to the Secretary for Development, Tourism and Culture of the Municipality of Salvador – Bahia, responsible for the federal program named “Capoeira Viva”. The program aims at using capoeira as an instrument for social inclusion and citizenship.

Head researcher:

- Responsible for the Capoeira Viva research project, related to the experience of the lives of the oldest Capoeira Masters of the city of Belem. Research financed by Petróleo Brasileiro S/A-PETROBRAS, Ministério da Cultura-MinC.;
- Planning and Development, publication of research results;
- Elaboration of key categories for the systematization of the questionnaires and semi-structured interviews;
- Selection, training and co-ordination of the research team.

2005 - 2006 **Tim Celular S/A - TIM PA**

TIM Celular S/A is multinational company, based in Italy that provides mobile telephony services in Brazil.

Commercial analyst:

- Market analysis and prospecting new clients;
- Stock management of mobile phones;
- Management information: produce monthly sales reports;
- Solving logistic problems regarding delivery of mobile phones.

2004 - 2005 **Amazon Corporation - AMAZON**

Amazon Corporation is a Brazilian company, offering IT solutions basically for SME's, as such being a partner for multinational companies like Microsoft, Oracle and DELL.

Business Analyst:

- Client management: Administration, prospecting, and maintain relation with corporate clients, regarding wireless Internet access.
- Scheduling the technical support, cabling and installation of computer networks;
- Management information: produce monthly reports about the corporate clients.

2002 - 2004 **Secretaria Executiva de Estado de Planejamento, Orçamento e Finanças – SEPOF-PA/ Brazil**

SEPOF is the state secretary, responsible for the financial planning of the State of Pará, Brazil.

IT expert/ network manager:

- Install and maintain the antivirus security system of the corporate network;
- Reconfigure, install and improve the IT support system;
- Install and administer financial and administrative system and connect general information system of the state government.
